

2.

(c)

1. The school council shall have the responsibility to **set school policy** consistent with district board policy which shall provide an environment to enhance the students' achievement and help the school meet the goals established by KRS158.645 and 158.6451. The principal or head teacher shall be the primary administrator and the instructional leader of the school, and with the assistance of the total school staff shall administer the policies established by the school council and the local board.
 2. If a school council **establishes committees**, it shall adopt a policy to facilitate the participation of interested persons, including, but not limited to, classified employees and parents. The policy shall include the number of committees, their jurisdiction, composition, and the process for membership selection;
- (d) The school council and each of its committees shall **determine the frequency of and agenda for their meetings**. Matters relating to formation of school councils that are not provided for by this section shall be addressed by local board policy;
- (e) The meetings of the school council shall be open to the public and all interested persons may attend. However, the exceptions to open meetings provided in KRS 61.810 shall apply;
- (f) After receiving notification of the funds available for the school from the local board, the **school council shall determine**, within the parameters of the total available funds, **the number of persons to be employed in each job classification at the school**. The council may make personnel decisions on vacancies occurring after the school council is formed but shall not have the authority to recommend transfers or dismissals;
- (g) The school council shall **determine which textbooks, instructional materials, and student support services** shall be provided in the school. Subject to available resources, the local board shall allocate an appropriation to each school that is adequate to meet the school's needs related to instructional materials and school-based student support services, as determined by the school council. The school council shall consult with the school media librarian on the maintenance of the school library media center, including the purchase of instructional materials, information technology, and equipment;

- (h) From a list of applicants submitted by the local superintendent, the principal at the participating school **shall select personnel to fill vacancies**, after consultation with the school council, consistent with subsection (2)(i)10. of this section. The superintendent may forward to the school council the names of qualified applicants who have pending certification from the Education Professional Standards Board based on recent completion of preparation requirements, out-of-state preparation, or alternative routes to certification pursuant to KRS 161.028 and 161.048. Requests for transfer shall conform to any employer-employee bargained contract which is in effect. If the vacancy to be filled is the position of principal, the school council shall select the new principal from among those persons recommended by the local superintendent. When a vacancy in the school principalship occurs, the school council shall receive training in recruitment and interviewing techniques prior to carrying out the process of selecting a principal. The council shall select the trainer to deliver the training. Personnel decisions made at the school level under the authority of this subsection shall be binding on the superintendent who completes the hiring process. Applicants subsequently employed shall provide evidence that they are certified prior to assuming the duties of a position in accordance with KRS161.020. The superintendent shall provide additional applicants upon request when qualified applicants are available;
- (i) The school council shall **adopt a policy** to be implemented by the principal in the following additional areas:
1. Determination of curriculum, including needs assessment and curriculum development;
 2. Assignment of all instructional and non-instructional staff time;
 3. Assignment of students to classes and programs within the school;
 4. Determination of the schedule of the school day and week, subject to the beginning and ending times of the school day and school calendar year as established by the local board;
 5. Determination of use of school space during the school day;
 6. Planning and resolution of issues regarding instructional practices;
 7. Selection and implementation of discipline and classroom management techniques as a part of a comprehensive school safety plan, including responsibilities of the student, parent, teacher, counselor, and principal;
 8. Selection of extracurricular programs and determination of policies relating to student participation based on academic qualifications and attendance requirements, program evaluation, and supervision;

9. Procedures, consistent with local school board policy, for determining alignment with state standards, technology utilization, and program appraisal; and
 10. Procedures to assist the council with consultation in the selection of personnel by the principal, including, but not limited to, meetings, timelines, interviews, review of written applications, and review of references. Procedures shall address situations in which members of the council are not available for consultation; and
- (j) Each school council **shall annually review data on its students' performance** as shown by the Commonwealth Accountability Testing System. The data shall include but not be limited to information on performance levels of all students tested, and information on the performance of students disaggregated by race, gender, disability, and participation in the federal free and reduced price lunch program. After completing the review of data, each school council, with the involvement of parents, faculty, and staff, shall develop and adopt a plan to ensure that each student makes progress toward meeting the goals set forth in KRS 158.645 and 158.6451(1)(b) by April of each year and submit the plan to the superintendent and local board of education for review as described in KRS 160.340. The Kentucky Department of Education shall provide each school council the data needed to complete the review required by this paragraph no later than November 1 of each year. If a school does not have a council, the review shall be completed by the principal with the involvement of parents, faculty, and staff.
- (3) The policy adopted by the local board to implement school-based decision making shall also address the following:
- (a) School budget and administration, including: discretionary funds; activity and other school funds; funds for maintenance, supplies, and equipment; and procedures for authorizing reimbursement for training and other expenses;
 - (b) Assessment of individual student progress, including testing and reporting of student progress to students, parents, the school district, the community, and the state;
 - (c) School improvement plans, including the form and function of strategic planning and its relationship to district planning, as well as the school safety plan and requests for funding from the Center for School Safety under KRS 158.446;
 - (d) Professional development plans developed pursuant to KRS 156.095;

- (e) Parent, citizen, and community participation including the relationship of the council with other groups;
- (f) Cooperation and collaboration within the district, with other districts, and with other public and private agencies;
- (g) Requirements for waiver of district policies;
- (h) Requirements for record keeping by the school council; and
- (i) A process for appealing a decision made by a school council.

(4) In addition to the authority granted to the school council in this section, the **local board may grant to the school council any other authority permitted by law.** The board shall make available liability insurance coverage for the protection of all members of the school council from liability arising in the course of pursuing their duties as members of the council.

(5) After July 13, 1990, any school in which two-thirds (2/3) of the faculty vote to implement school-based decision making shall do so. All schools shall implement school-based decision making by July 1, 1996, in accordance with this section and with the policy adopted by the local board pursuant to this section. Upon favorable vote of a majority of the faculty at the school and a majority of at least twenty-five (25) voting parents of students enrolled in the school, a school meeting its goal as determined by the Department of Education pursuant to KRS 158.6455 may apply to the Kentucky Board of Education for exemption from the requirement to implement school-based decision making, and the state board shall grant the exemption. The voting by the parents on the matter of exemption from implementing school-based decision making shall be in an election conducted by the parent and teacher organization of the school or, if none exists, the largest organization of parents formed for this purpose. Notwithstanding the provisions of this section, a local school district shall not be required to implement school-based decision making if the local school district contains only one (1) school.
