POLICY TOPIC DESCRIPTION: Determining Alignment to State Standards

POLICY STATEMENT

The Planning process recommended by the Kentucky Department of Education entails:

1. Sustained analysis of the extent to which our students are meeting state standards using the Standards and Indicators for School Improvement.
2. Systematic work to move our students closer to those standards within the time table set by the Kentucky Board of Education for reaching proficiency by 2014.
3. Ongoing monitoring and evaluation of the implementation and impact of our plans.

We will implement that process, including review of our alignment with state standards through our needs assessment and our implementation and impact checks.

Date Adopted: 8 January 2009
