### POLICY STATEMENT

#### PROGRAM APPRAISAL POLICY

The Planning process recommended by the Kentucky Department of Education entails:

1. Sustained analysis of whether each of our programs is contributing adequately to helping all our school meet state standards.
2. Systematic work to improve those programs so that we do meet state standards for our school within the timetable set by Kentucky Board of Education for researching proficiency by 2014.
3. Ongoing monitoring and evaluation of the implementation and impact of our programs.

We will implement that process, including appraisal of the effectiveness of all our programs, through our needs assessment and our implementation and impact checks.
